

Happy Birthday

Celebrating the Inner West Community Band's 10th birthday!

A concert of our favourite pieces
from the last 10 years.

Saturday 5 June 2021 - Leichhardt Town Hall

Happy 10th Birthday IWCB!

IWCB was founded in 2010, and since then has existed to provide community members of all ages and backgrounds the opportunity to play, enjoy and perform great music while having fun and becoming better musicians.

Today's concert is a (belated!) celebration of IWCB's first 10 years of music making. Members voted to select their favourite piece of music from each year. We are sure the repertoire will speak for itself in what our members love - good quality music with just the right mix of challenge and fun!

The band rehearses at Wilkins Public School, Marrickville on Tuesdays 7:15pm - 9:30pm.

Musical Director - Danika Pink

Danika Pink is a Sydney-based clarinet player, instrumental tutor and conductor. In 2011 she graduated from the Sydney Conservatorium of Music with a Bachelor of Music (Education) with clarinet as her principal study. Since graduating Danika has tutored at many Sydney schools including MLC School, Santa Sabina College, North Sydney Demonstration School, Summer Hill Public School and Abbotsford Public School.

Danika has always been passionate about community music making, playing with many different community ensembles over the years. Highlights included conducting multiple Kids' concerts with the Mosman Orchestra and performing the Mozart Clarinet Concerto as soloist.

Danika co-founded IWCB in 2010 along with a group of friends from Sydney University Orchestra. She is so humbled to have the opportunity to direct such a committed and talented group of musicians for so many of those years. Danika is expecting her second child later this year with husband Glen Pink, but is looking forward to enjoying IWCB's next concerts from the audience!

Acknowledgements

IWCB thanks the following people & organisations for their support:
